APRIL 2014

A Message From The President

It would appear that Spring is finally upon us. It's looking like this may be another year that goes straight from heating to air conditioning. Oh well, that's Indiana, and we must like it because we're here.

The April Business Meeting was again very busy and fruitful. As usual, a copy of the minutes is always available. Contact Lion Rose Russell for a copy.

Our Spaghetti Dinner fund-raiser was a success! Thanks to Lion Anne Weber and her crew for a good job.

The annual Lions Club Fish Fry will be held on Friday, April 18, at the Newton Center, from 4:00 pm to 7:00 pm. Please sell tickets and come out to help where you can. Lion Rick McCartney and crew need your help. Contact Lion Rick (574-784-8558) and let him know how you would like to help.

The speaker for our April Dinner Meeting will be Linda Curley, who is an Extension Educator from Purdue University. She will speak on several subjects that may be of interest to seniors. We will also be inducting two new members into our club at this meeting. If you are planning to attend, but are not on the permanent dinner list, please contact Lion Jean Barlow (574-291-0680) to make a reservation. We need to have reservations for our caterer to supply enough food. If you are on the permanent dinner list, but will be unable to attend, please contact Lion Jean Barlow to cancel your reservation, because we must pay for every meal we order.

Please take note of the calendar in this newsletter for the dates of several upcoming events we have during this busy month.

Something to think about: The result of "want to" has a direct correlation to effort.

Yours in Lionism,
Lion President Max Feitz

We don't have photos from any recent club activities, so here are a few old photos from the club's archives.

Left: Work in progress on the Lakeville Lions Club building at the St. Joseph County 4-H Fair. Is this our current food booth, or an earlier structure?

The hand-written note on the back indicates that the photo was taken in the summer of 1979, and identifies these hard-working Lions as H. Heines, B. Six, and O. Hepler.

Right: Several charter members were present for the celebration of the club's 50th anniversary in August 1993. They are pictured here with Lion Larry Ort (standing at left), chairman of the committee that organized the celebration, and PID Carter Everage (standing at right), of Milan, Indiana.

Left: Lakeville Lions Club members re-roofing a house in August, 1997. There are no notes on the photo to identify these hard-working Lions.

Right: This undated photo was taken at a Lakeville Lions Club Fishing Derby at an unspecified location. There are no notes on this photo, but another photo of the same group identifies these Lions as C. Schafer, H. Heines, and R. Whaley.
