SEPTEMBER 2014

A Message From The President

Greetings Fellow Lions,

Our third board meeting was held on 9/9/14. We reviewed and received updates on several initiatives we have been working. Some of the items included:

- Insurance for our club's assets.
- Preliminary findings of the fair facilities assessment.
- Approving a new member application.
- New town pavilion project update
- ARC service project update.
- Central club library.
- Results of the Masonic Lodge Golf Scramble
- Feedback from the circus parking team.
- Cub Scouts camping needs.
- Shared information from the "Do Something" membership training seminar recently held in Kouts Indiana.

In other news, as mentioned in last month's news letter, it's time to focus our attention on what we do best as Lions: Service work!! To be the best, like any successful team, we are constantly striving to improve our game. That's one reason why we are meeting on September 21, 2014 at Scout Hall starting at 1:00 pm. We will be conducting a Club Excellence Process workshop. If you haven't submitted your club assessment survey, there's still time. Everyone's voice matters!! The goal is to help us strengthen our club internally and identify some new service projects. All members are invited to this meeting and are encouraged to participate. If you have an idea for improving our club or for a for a service project, here's another opportunity for your voice to be heard. Please let us know who you plan on bringing along. Contact Lion Rose Russell or me if you plan on attending.

Yours in Lionism,
Lion Vic
President, Lakeville Lions Club
1st VDG, District 25-G
