JUNE 2019

A Message from the President

Greetings Fellow Lions,

Some of you may remember a song that says "Summertime and the living is easy". That may be true for some people, but for members of the Lakeville Lions Club, summertime is a busy time. In June and July, our calendar includes the St. Joseph County Relay for Life, the Potato Creek and Lions Strawberry Festival, the St. Joseph County 4-H Fair, the Michiana Kennel Club Dog Show, and two work days at Camp Millhouse. Whew!

Our food booth at the St. Joseph County 4-H Fair is our biggest fund-raiser of the year. We need the support of every member of our Lions Club to ensure that this project is a success. If you cannot personally work at the fair, please ask a family member or friend to work a shift on your behalf. Contact Lion Jim Tillman (cell: 574-360-5705, home: 574-291-6437) to volunteer.

It's hard to believe that my term as president is nearly over. I want to take this opportunity to thank the officers, directors, and members of the Lakeville Lions Club for your support this past year. Working together, we continued our club's long tradition of service to others with projects both familiar and new.

Yours in Lionism,
PDG Paul Russell

Indiana Lions Foundation

It's that time of year again—time to sign up to work for the Indiana Lions Foundation at the Indiana State Fair.

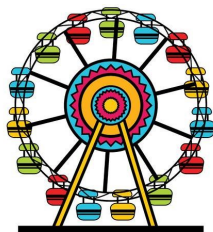

If you've worked before, we look forward to seeing you again.

If you've never worked for the Foundation at the Fair, the best time to start is now.

New this year: each volunteer will receive a special pin to recognize their participation in the Indiana Lions Foundation State Fair project.

Sign up at www.indianalionsfoundationmd25.org.

Dinner Meetings

If you do not regularly attend the club dinner meetings, then you are missing out! PDG Paul Russell has had some excellent speakers over the last year. Lion Jim Tillman is already in the process of lining up speakers for next year. Attendance at dinner meetings helps you get to know other Lions and to keep up on club news. They are also fun. This month we will be presenting club awards and installing our new officers. If you are on the regular dinner list, then we are expecting you to come. If you are on this list and do not come, then the club must pay the caterer for your meal out of our administrative funds. If you are not on the regular dinner list, please call Lion Jean to make your reservation. If you do not have a reservation, then there will not be enough food for everyone. PLEASE help us be good stewards of our funds. We need your reservation before the Sunday before the meeting. Lion Jean can be reached at 291-0680.

Lion Dennis Clark is our newest member. If you think that he looks familiar, you are right!. Lion Dennis is a former member who just moved back to the area.

Lions Dennis and Sharon Ingles are some of our newer members. Please greet them when you see them.!

Dog Show

Lion Max Feitz is rounding up workers for the Michiana Kennel Club dog show at the fairgrounds. The show runs from July 18-21. We will be serving a limited menu during the breakfast and lunch hours. If you can help, please call Lion Max at 784-8488 or 298-3454. You can also see Lion Max at the dinner meeting on Tuesday.

The picture at the far left is of Lion Don Milzarek. Lion Don helped in the Lakeville Lions food trailer and with the Greene Township Lions. The second picture is of Lion Jim Tillman hard at work. He was present all day both days. The last picture is of Lion Darcy Gardner, who helped chair the event.

North Liberty Potato Creek/Strawberry Festival

Thank you Lions Jennifer and Darcy Gardner and everyone who worked to make this a successful event. Thanks to the beautiful weather, the Lions food booth was busier than ever. Sales were so brisk that we sold all of our food on the first day and had to buy more for day two! The final numbers are not in, but we expect to have a nice check to present to Camp Millhouse this year.

Lakeville Lions Club 2019 Scholarship Recipients

Congratulations to the winners of the Lakeville Lions Club scholarship this year!

On the left is Kelsey Aschenbrenner of Lakeville. Kelsey plans to attend Ball State University in Muncie and study speech language pathology.

On the right is Amber Wells of Lakeville. Amber plans to attend Indiana University South Bend to study nursing.

Our new club t-shirts are now available. The cost is \$10. Lion Lissa Newton will have them available for sale at the June dinner meeting. Sizes range from Med-5X, but are selling out quickly. So if your old t-shirt is wearing out, or if you just need a few spares to get you through some of our longer projects, please let Lion Lissa know. Lion Lissa can be reached at 784-7915.

Tips From the Tail Twister

Our incoming Tail Twister, Darlene, wants to make sure that everyone comes prepared for the awards ceremony and installation of officers on Tuesday. Therefore, Lion Darlene will be on the lookout for Lions wearing their Lions Club shirts or their vests.

LaVille After-Prom Party

LaVille's after-prom party was a huge success. The Lakeville Lions Club helped to provide funds to support this project. About 112 students attended along with 30 parents and teachers to chaperone. Other community members also donated cash, food, decorations and over 50 prizes to give away. The organizers report that the kids had a lot of fun and they hope to make this an annual event.

Scout Hall is in need of some TLC. If you would have an hour or so to help with mopping the floor and cleaning the bathroom, the Lion Tamer would be very appreciative. Call Lion Anne Weber at 291-3021.

News From the Board of Directors

- Lion Jim Tillman reported that the food booth was ready for the fair. He is in the process of finalizing the schedules for workers and will need to submit final schedules to the Fair Board soon. Your name must be on the schedule if you wish to get into the fairgrounds free on the day you want to work. Contact Lion Jim at 360-5705 if you are unsure of the time or day of your shift(s). You can also see Lion Jim at the dinner meeting on Tuesday.
- The Board voted to accept the transfer of Lion Dennis Clark into our club. Lion Dennis is a former Lakeville member who is transferring from the Martinsville Evening Club. Please welcome Lion Dennis.
- Lions Jennifer Gardner and Diane Fischer reported that they have done all that they can for the summer sessions of Camp Millhouse. Our club helped to clean and freshen up the décor in one of the staff cabins. Donated nightstands, dressers, lamps, curtains, shower curtains ect helped to make the cabin a more welcoming place for female staff members. The staff was also presented with toiletries, candies, jewelry and makeup to use with the campers. We will reassess needs for this cabin in the fall when we have more time to make lasting changes. Lions Jennifer and Diane said that the camp administration welcomes visitors. Call them and make arrangements for a visit if you would like to see what is happening at the camp.
- The Board of Directors voted to spend \$500 to sponsor 4 golf carts at the fair. These golf carts are used throughout the course of the fair and will have our name prominently displayed on them.
- The Board of Directors voted to participate in the back-to-school "Party in the Park" that is sponsored by the Lakeville United Methodist Church. The party will take place August 3rd at Culp Park. A bounce house, food, books, free haircuts, story times, demonstrations, and prizes are all planned. The Lakeville Lions voted to spend \$100 to rent a carnival game from Burns Rent-All and to purchase pencils to use as prizes. Call Lion Anne Weber at 291-3021 if you have questions about this event.

Weather was not our friend this year at the American Cancer Society's Relay for Life. We had our food booth open and a few Lions helped by walking the track. The Madison Township Lions provided a tent and some games that could be played for a donation. Unfortunately a severe thunderstorm with damaging winds and hail moved through the area about 4:30. The event was cancelled early so that no participants were hurt. The food booth still generated a modest profit. Based on our earnings, the Board of Directors voted to give \$500 to the American Cancer Society.

The Little Free Library Box that our club sponsors in Culp Park is starting to show heavy use—especially by children and teens. We are in need of donated materials. If you have books that you would like to donate, please call Lion Anne Weber at 291-3021. Books can also be brought to any dinner or board meeting. Children's books are especially needed at this time. Be sure to stop by the park and check out our newest project.

Lion Jean (Barlow) DuFord was the proud recipient of the Dribbler's Bib in May. She is shown here at the dinner meeting with her new husband, Dick DuFord. Lion Jean has had all month to think about it, and has a new Dribbler in mind for the June meeting. Be sure to come to see who gets this prestigious award.
