JANUARY 2020

Greetings and happy New Year fellow Lions. Thank you to all of you who served and made 2019 a very successful Lions Year. We completed a lot of projects and fundraisers that allowed us to make a difference in our community. Well done Lions!

Winter is a time of rejuvenation for our Lions club. We have time to rest, reflect, and prepare for a busy 2020. We have a few service opportunities and fellowship opportunities in the upcoming months. Please join in and make the Lakeville Lions a strong and vibrant club.

Department
Volunteers

The 2019 Food Basket and Toys for Tots giveaway was a huge success thanks to the many Lions and community volunteers who donated time, toys, food and money. The Lakeville and LaPaz Lions served more than 40 families and 100 children as a result of the community's generosity. Donations were collected by the LaVille schools, the Scouts, Eastern Star, Leo's Restaurant and many others. The FFA assisted by wrapping gifts. Thanks also to Terry Rensberger for offering his time and camera equipment.

The Scouts of Pack and Troops 247 provided valuable assistance again this year. The groups went door to door delivering empty bags to be filled with food donations. They then returned a week later and collected the donations. The Lions could not have assembled food baskets without the assistance of our young people from the Scouting troops and the LaVile schools.

Lion President Jim Tillman did a terrific job putting together the 2019 Christmas dinner. We were entertained by the LaVile Madrigal Singers who provided an excellent program of Christmas songs.

Lion Jim is working on his January program as well. He would like everyone to come dressed as their favorite character from the 1960s – 1990s. Are there any Smurfs out there?

Call Lion Jean Duford for reservations for the January dinner meeting. Her number is 291-0680.

Sunday Volunteer Program

We need your help friends! It is extremely beneficial to our campers, their families and our staff to have many extra hands on Sunday intake day. We would love to build this volunteer program for summer 2020. It would be great if we could have 15 - 20 volunteers each of the six Sundays of camp. Volunteers check in at the lodge by 1:45 p.m. to be assigned to one of three locations – luggage tagging at the front of the lodge, camper cabin welcome team, or Sunday activities in the rec hall with our staff. We are all done with check-in between 4:30 and 5:00 p.m. – a short (approximately) 3 hour commitment. We are asking you to please consider this small commitment that has big rewards for all involved. We've started our volunteer schedule for next summer so please call the office for more information.

It's January and Lion Lissa Newton is thinking about our summer projects already. She ran across this request for volunteers in the latest Camp Millhouse newsletter. We have helped support Camp Millhouse in the past with donations from our food booth at the Strawberry Festival. We have also helped in sprucing up a staff cabin and with participating in the Spring and Fall cleanup days.

If you know of any potential service projects that are needed in our community, please let a member of the Board of Directors know. We are always looking for ways to serve.
